### CONTACT US

For more information or to schedule a consultation, call us at (888) 735-1848 or visit us at [www.empirical-ih.com](http://www.empirical-ih.com).

The Empirical Company specializes in providing a comprehensive asbestos consultancy service tailored to the client's individual requirements while following applicable OSHA and EPA regulations.

The Empirical Company maintains a staff of EPA registered building inspectors and site surveillance technicians to manage and perform asbestos surveys and abatement projects.

We operate a nationwide service to clients in the domestic, commercial and industrial sectors. The Empirical Company does not undertake asbestos remediation and can therefore, maintain an independent and unbiased approach to the management of asbestos materials on site and offer impartial advice on remediation options.

When you are considering renovation or demolition:

- The Empirical Company will survey the building to identify existing asbestos materials followed with a detailed report of findings;
- Prepare protocol documents for the removal of identified asbestos;
- Collect bids from reputable contractors and
- Manage, inspect, and provide final clearance for the abatement project all the while documenting the process.
