- Asbestos
- Radon
- Noise
- Ozone
- Particulate/Chemical Monitoring
- Occupant interviews

#### ABOUT US

The Empirical Company is a woman owned small business incorporated in the State of Washington. The Empirical Company provides Asbestos Surveys and other Industrial Hygiene services nationwide.

Having over 20 years experience in identifying and correcting air quality issues, we are the solution. Our IAQ surveys are designed to identify contaminants resulting from design or equipment failure, catastrophe (fire, flood, etc.) new construction and renovation.

Our reports are generated with conclusions drawn from data collected and recommendations are made to either reduce the impact of the stressor or mitigate it altogether.

Our pledge is to be onsite, nationally, within 24 hours with an experienced staff and catalogue of in-house tools ready to mitigate your issues.
