

# SAFETY TRAINING

## NEED TRAINING?

In today's market, accessibility to **quality training** classes that are closer to home is in high demand. With companies looking for ways to cut costs but still keep continuing education and maintaining licensing requirements a priority, The Empirical Company offers quality courses to meet this need.

## OUR INSTRUCTOR

Roy Bowman is a senior training specialist with more than 23 years of experience in the public health and safety industry. Mr. Bowman is experienced in training personnel in EPA/OSHA regulations pursuant to company needs, performing industrial hygiene surveys, performing OSHA audits for company compliance, conducting NEPA compliance, and has served as a safety officer for multiple companies and as a professional witness in several environmental litigation cases. Mr. Bowman's responsibilities at The Empirical Company includes developing and instructing training courses per federal, state and local regulations.

## COURSES WE OFFER

We offer certifications and training courses related to asbestos, lead, safety, and other public safety issues from our Kennewick, WA office. We can also provide training at your facility. Please download a current class schedule from our website or give us a call.
